Outcomes:

- Parents of children prenatal-five are aware of resources in their community (health, family support, childcare services, training opportunities) so that their children develop appropriately.
- The community is aware of the resources available, accesses them, and transfers this knowledge to other families with prenatal-five children in the Rock Creek district.
- Funds independent of First 5 funds will be maintained to support 20% of the preventative health portion through 2005-2006.

Performance Measures:

- Demographics number of prenatal through 5 served broken down by age, gender, ethnicity, and when services were provided.
- Ages & Stages Questionnaire (ASQ) Child Abuse Prevention Council
- Tracking number of "Risk of Retention" letters (at 3 months, among those who attended summer program vs. those who did not) – Rock Creek Elementary School.
- Track academic related Student Assistant Team referrals to Child Study Team (at 3 months, among those who attended summer program vs. those who did not) – Rock Creek Elementary School.
- Number of parents or caregivers of children prenatal through 5 in the Rock Creek attendance area contacted (door-to-door, FRC, Child Development Services, School).
- Number accessing services broken down by age of children tracked by source of referral, referral given and when service accessed – Child Abuse Prevention Council & Photos & Stories.
- Participant surveys measuring transfer of knowledge.
- Funds received and applied towards the preventative health portion of the 2005-2006 Thrive By Five project.
